Washington victory –

UNITY BEATS MONEY MACHINE

Supporters reach out to congratulate Congressman H Washington after he claimed the Democratic party's nomination February 23 in the race for Mayor of Chicago. Mayor Jane Byrne ceded to Washington, who ran on a platform in the interest of 'a people.' See page 3.

Democratic Party Leaders A Disgrace

Democrats From South Rebuffed

It was bad enough when major Democratic candidates for President rushed to Chicago. They said Whites had to vote for Washington because he is black. Southerners were especially sickened by this disgraceful boot licking affair by those supposed to represent the "conservative wing" of the Democratic Party. The following went on bended knee to Chicago before Jesse Jackson, Harold Washington and their ilk to publicly endorse Washington.

Southern Democratic Party Chairmen For Washington

Ga. - Bert Lance
Tenn. - Bart Gordon
Fla. - Charles Whitehead
Ala. - Jimmy Knight
La. - Jesse Bankston
S.C. - William Jennings Dorn
Va. - Alan Diamonstein
Ark. - Lilburn Carlisle
W. Va. - Joseph Goodwin
Ky. - Paul Patton

It looks as if these states are in dire need of electing new Chairmen to run their local Democratic Party groups because Washington is not supported by Whites in either Chicago or the South!!

Washington Denounces Chicago

Harold Washington raised his campaign money from $500 per plate dinners in New York, Washington and Hollywood. While at the Los Angeles Playboy mansion of Hugh Hefner, left-wingers, such as Rep. Tom Hayden (known as Mr. Jane Fonda), ex-Gov. Jerry Brown, flacky singer Linda Ronstadt attended. Los Angeles negro Mayor Tom Bradley said: *"Racism is seeping out of the woodwork in Chicago and those who stir up fear and hatred must be put down. That is why Washington MUST be elected."*

The truth is that Rep. Washington has been stirring up hatred against White people. In fact, the Chicago media and even the national press refused to publish Washington's statement at the Playboy dinner. The censored quote was: *"CHICAGO IS A HELL OF A PLACE TO LIVE!"* Then why doesn't Washington stay in Hollywood with the rest of the weirdos and cocaine freaks?

Chicago Mayor's Race Gauges White Racism In America

Chicago's White community never dreamed that negro Congressman Harold Washington could ever win the Democratic primary! Whites split their vote in the destructive primary. With a record turnout of 1.2 million votes cast Jane Byrne polled 33.5%, Richard Daley, 29.8% and negro Harold Washington won with only 36.3%. In other words 63% of the electorate voted against the negro.

The Democratic big wigs poured into Chicago and told the White people they had to vote for Washington. Money poured in just to support a candidate only because he is black. The Republican nominee was the unknown millionaire Jew Bernard Epton (real name Epstein.) The Whites were caught between the devil and the deep blue sea as Epton is a life long liberal who polled only 12,000 votes in the uncontested GOP primary. Still all the political plaudits tell us that every vote for Epton will be a sign of the strength of White Racism in America. In other words, the White working people did not think he had any chance of winning as the experts say no Republican can be elected Mayor in Chicago. Thus they say all those casting White Racist protest votes for Epton will show just how strong White opposition is to BLACK POWER RULE.

Communist Party Endorsed Washington

The U. S. Communist Party openly endorsed Harold Washington on the front page of their issue of Feb. 24. An official statement by the "Afro-American Commission of the Communist Party" called for all Marxists to work for the election of Washington. The Communist "Daily World" of March 19 stated that anyone who voted against Washington was a "racist." Also, to elect a non-black would be, *"reminiscent of the post-Reconstruction period in the South when the Confederates returned to power after 5 years of Klan warfare and their founding of the White primary which excluded blacks from voting. Now the Northern White bourgeoisie have launched a new White Bourbon counter-attack to rob the blacks of their victory."*

The influential "Baltimore Afro-American" newspaper of March 19th stated: "Members of the Democratic Socialists of America, a predominately White formation worked openly in the campaign. Communist Party members also supported Chicago mayoral candidate Washington as did hundreds of independent leftists."

Washington's Criminal Record

Atlanta Mayor Andrew Young has declared that Chicago "MUST" elect a black mayor. We want to know WHY? We do not support Epton, but why "MUST" a black be elected? All the most powerful leaders in the Democratic party have traveled to Chicago to endorse Washington. Walter Mondale was the first. In a White neighborhood he and Washington had to be rescued by police from Whites outraged when told they had to vote for a negro. John Glenn, Ted Kennedy and all the rest of the major Democratic presidential candidates made their trip to Chicago to pay homage to Washington and urge Whites to vote for Washington just because he is black.

Washington Threatens Race War

Time Magazine of April 4th quotes Washington as stating: *"If they (my black supporters) get the feeling that this is going to turn into a race war, then it might turn bitter, evil and angry."*

(Continued on Page 2)

Chicago White Votes Spark National Resistance

(Continued from Page 1)

Others threatened blacks would burn down Chicago unless Washington won.

Washington won the primary with only 36% of the vote and no Republican had been elected mayor in 52 years. An all out black voter registration drive added over 200,000 blacks to the voting rolls and this provided Washington with his primary victory. Whites who did not want Washington were called "racists" and both the formerly conservative (but not extremely left-wing) Chicago Tribune and Sun-Times endorsed Washington. In the primary 84% of the blacks voted for Washington but according to the media they were not racists. Only Whites who refuse to vote for a black are the racists! This is typical liberal self-hate logic.

Harold Washington has a long criminal record. He was twice disbarred for swindling black clients out of legal fees and failing to perform tasks he was paid for. In 1972 Washington was convicted of not filing his income tax for four years. He was fined $1,036 and sent to jail for 40 days. Washington has stated he will fire the White police commissioner and replace many other White Chicago city employees. In other words Washington would like to turn this city of three million into a mass White exodus which will quickly result in another Newark, N. J., Gary, Ind., East St. Louis, Ill., or Benton Harbor, Mich. — ALL CITIES WHICH HAVE BEEN TOTALLY DESTROYED BY BLACK POWER RULE.

Blacks make up 40% of the population in Chicago and 600,000 are registered to vote. Washington used racist slogans such as "Now It's Our Turn" - to rule the city.

Jesse Jackson Power Behind Harold Washington Drive

Rev. Jesse Jackson masterminded the black voter registration drive which succeeded in adding 200,000 more blacks to Chicago voter rolls. The PUSH leader was able to "persuade" the Board of Elections to allow him to set up voter registration booths in front of black neighborhood unemployment and welfare offices. This "service" was not available in White areas.

Washington was convicted in 1972 for not filing income tax returns over a four-year period. He was given a light fine and only 40 days in jail. He was disbarred on May 21, 1970 when the Chicago Bar Assn. found him guilty of taking fees from poor black clients and not performing the legal tasks he was paid for. He also has been found in contempt of court on several occasions. In Sept. 1975 Washington petitioned the Illinois Supreme Court to reinstate his law license. This was granted in Sept. 1975. And to think this was the best Chicago's black community could offer the voters as their candidate for Mayor? It reminds one of the Reconstruction after the Civil War when hundreds of illiterate and criminal blacks were appointed Mayors, councilmen, etc. over many cities in the South by Thaddeus Stevens (who had a negress for a mistress). Stevens headed the dreaded "Freedman's Bureau Agency" (FBA) which established years of black terror rule over a prostrate Southland. Now the Second Reconstruction has spread nationwide and people both North and South will have to unite to win back our country for the best interest and protection of the White majority.

Chicago Police Lead Resistance

RICHARD J. BRZECZEK

Superintendent of Chicago Police Dept.

The Rev. Jesse Jackson

READ AND PASS ON

Chicago Police Fight Washington

Washington is openly anti-police. In fact, one of his first promises was to fire Chicago Police Superintendent Richard J. Brzeczek. Washington's plan was to allow the radical Rev. Jesse Jackson and Renault Robinson, head of the Afro-American Police League to seize control of the police department. Quickly Brzeczek promoted 32 mostly White police lieutenants to captains.

The presently extremist left-wing "Chicago Tribune" viciously attacked Mr. Brzeczek on Feb. 27. It called Brzeczek "a vindictive sneerer and mean spirited." Brzeczek warned White voters that Washington "*would turn the police department into a circus. Law enforcement will suffer and its level of competence will go down. I won't work a day for that man!*"

The Marxist race-mixing fanatics in the U. S. Justice Dept. have already filed civil rights suits against the Chicago police dept., park board and school system demanding that they all hire more unqualified negroes. Thus the election of Washington posed even greater long term threats to the stability of the city under Black power rule.

Police Distribute Racist Literature

We like the term "Racist." Since blacks and Hispanics are proud of their race, then Whites should be also. If "Black is Beautiful," and Mexicans have a party called "The Hispanic Race Party," then we certainly need all of our racial history, traditions and culture to hold our people together. The Chicago "po-lease" officers have distributed a cartoon of what the new city police insignia on their uniforms under black rule would look like. This was printed on page one of the negro "Chicago Defender" paper.

It declares the city name should be changed to "Chicongo" with a beer can and a bottle of "Mambo sauce" on each side of a plate of barbecued ribs. The Defender also complained that the city police were circulating a play dollar bill with Harold Washington's picture in the center and the words "Congo currency" across the top. Blacks have always joked about Whites in political campaigns but when it's aimed at them, they scream "racism." So be it — WE HAVE THE RIGHT — THE DUTY — TO UNITE THE MEMBERS OF THE WHITE RACE TO DEFEND OUR OWN KIND FROM DOMINATION BY BLACK POWER ADVOCATES!!

JDL Threatens Mitchum For Questioning Holocaust

Actor Robert Mitchum Called Anti-Semitic
Will He Star In
"Winds of War II"?

Actor Robert Mitchum has committed the unforgivable sin of criticizing the Jews and their holocaust myth. Mitchum consented to one of his rare interviews with Jew writer Barry Rehfeld for the February issue of Esquire Magazine. Robert Mitchum is outspoken and cares not what people think of his views. Thus he dared to question the alleged six million Jews' holocaust when he was asked: *"And the slaughter of six million Jews?"* Rehfeld asked.

"So the Jews say," Mitchum replied.

"So the Jews say"? questioned Rehfeld.

Mitchum replied: *"I don't know. People dispute that!"*

The interview on the Jewish question is reproduced as "evidence" on this page. Other movie stars have complained about most of the Hollywood studios being controlled by Jews and most of movie directors and producers being Jews. Actor Burt Reynolds was censored "beeped out" on the Johnny Carson Show when he said "That's all we need, another Jew (beep) movie producer." Actor Robert Stack (Elliot Ness) said Jews had banned him from films after he objected to a Jew Producer Begelman stealing part of his earnings.

Jew JDL Threatens Mitchum's Life

The Terrorist Jewish Defense League held a press conference in Hollywood. JDL leader, Irv Rubin was surrounded by thugs wearing buttons reading, "I Am A Zionist Hoodlum."

"Robert Mitchum is a Jew-hater and a Nazi sympathizer. We demand he make a public apology to all Jews. We have a private detective out trying to find Mitchum's private residence in Santa Barbara. He had better see the light or there will be midnight demonstrations right in front of Mitchum's home."

Will Mitchum Star In
Next Holocaust Film?

"Winds of War" is just one in the endless string of Jew propaganda "holocaust" movies. The Catholic Register of Feb. 25 carries an extremely interesting article by columnist Butler D. Shaffer, a law professor at the Southwestern University of Los Angeles. Read it very carefully. Prof. Shaffer says these holocaust films are cleverly designed to neutralize opposition to Israeli aggression, occupation and the mass killings of innocents. Butler says such films create the view that *"anyone who criticized Israeli foreign policy is anti-Semitic."*

Think for a moment how many anti-German holocaust "docudramas" have filled the TV screen. There was "Playing for Time," "Diary of Anne Frank", "Genocide", "Holocaust", "A Woman Called Golda," "Rise And Fall of The Third Reich", "The Chosen", "The Warsaw Ghetto", etc. "Winds" is 18 hours long and is shown on different days because no one would pay to see such a long show.

"Winds of War" took 13 months to film and was the most costly "docudrama" to date costing $40 million. Jew Herman Wouk wrote the book upon which the film is based. The Producer-Director was the Jew Dan Curtis and it was financed by ABC-TV which is headed by Jew Leonard Goldstein. It should be noted that while Herman Wouk says he hates war he brags that his son Joseph fought in the Israeli navy against Lebanon during the so-called "Peace For Galilee" massacre of thousands of innocent people.

One of the so-called "most memorable scenes" in Winds is when the "evil" Germans are trying to separate the Jews from the Gentiles and a Christian says "we are all Jews." (Note: Rev. Jerry Falwell would love this line.) Jew psychologists say that the scene in Anne Frank's Diary which won them the most sympathy was the screaming sirens of the German police cars speeding to arrest poor little Anne Frank. Today we learn that her so-called "diary" was written with a ball-point pen which was not invented until after the end of World War II.

Wouk is now helping with production of the sequel to Winds to be called "War and Remembrance." Everyone wants to know how Robert Mitchum will be written out of the script? No doubt he will die at the beginning of the film and this anti-Semite will be finished with. It should be noted that some 80 million Americans watched this propaganda film. Sponsors paid $179,000 for 30 second spot ads. For the first time a "docudrama" not only portrayed the Germans and Poles as being anti-Semitic BUT ALSO WE AMERICANS. THE NEW LINE IS THAT ALL CHRISTIANS ARE GUILTY OF THE HOLOCAUST!

Winds Justifies Invasion of Lebanon

We have, in recent months, been presented a steady diet of films and special programs depicting the horrors of Nazi Germany. From "The Winds of War" to "The Oppermanns" to "Blood and Honor," to movies about the Warsaw uprisings or the last days of Hitler, to documentaries about Nazi war criminals or life in the concentration camps, one might conclude that Nazi Germany was still a thriving police state.

We need to be reminded of how tyrannies develop, but for what purpose? What *is* the object lesson to be derived from hour upon hour of programming about SS brutalities?

I suspect that the real purpose of this abundance of anti-Nazi programming has less to do with advising us how to recognize and avoid emerging police state methods in our own country, than it does with reinforcing American public attitudes favorable to Israeli government policies.

Coming at a time when popular support for Israeli policies — as distinguished from support for the state of Israel itself — is at an all-time low, films that remind us of the suffering endured by the victims of Nazism may help to soften anti-Israeli criticism.

There was a time, of course, when one could not safely criticize any Israeli political practice without incurring the slanderous charge of being anti-Semitic. I recall one well-known Jewish writer who went so far as to assert, a number of years ago, that anyone who criticized Israeli foreign policy *was* anti-Semitic.

But there ought to be some greater value to reviewing the history of Nazism than simply feeding the propaganda mill.

Judging by that standard, many men and women — hundreds of thousands of whom are, themselves, Israelis — have observed that the present practices of the government of Israel, particularly in that government's treatment of Palestinians, are indistinguishable from the Nazi genocide.

The recent extermination carried out in Lebanon confirms to any thoughtful mind that the power to oppress and tyrannize others is not the exclusive attribute of any nation, race, religion or ideology.

Robert Mitchum's Uncensored Statement on Jews

"I had met Harry Cohn [the late Columbia Pictures mogul] once after a dinner and I had said to him, 'You don't seem like such a prick to me.' Cohn said, 'Wait till you work for me.' So then when Columbia came buzzing around about *Eternity*, we had secret meetings, and I put in a petition to RKO. I called Howard [Hughes] and he said, 'Jesus Christ, Bob, that's being done by those people up the street, isn't it? All those Jews. You don't want to be associated with *those* people, Bob. They're terrible people.' So later I walk into Romanoff's for lunch and Harry Cohn is sitting there. He calls me chicken ----. I said, 'I tried.' He says, ----, you tried.' "

"I think it's time for the United States to stop trying to win an international popularity contest and if surgery is indicated, cut.' I couldn't argue with him. You have a melanoma, you remove it or else the flesh around it suffers."

I ask about the moral principles.

"You can design a moral principle for rape if you're so inclined."

As Hitler did?

"Hitler needed lebensraum."

And the slaughter of six million Jews?

"So the Jews say."

So the Jews *say*?

"I don't know. People dispute that."

"Well, they've kind of got me in a corner," he says without looking at me, "because both *Winds of War* and this show think it's important.

"It's important to *them*." His arms fly up in the air again. "It hasn't got a --- thing to do with *me*! It takes up *my* time! And the only thing I'm working for is time off. But you do it for her [*Season*'s publicist] because she has a job to do." He pauses, then resumes his stare at me. "Like Eichmann said, 'Ee's my job.'"

There is a pause, I change the subject, then, a while later, he returns to it.

"We had a bunch of us that were going to go to Israel and wear big buttons saying I LIKE IKE, see how that got across."

There is yet another well-timed pause, another change of subject, and then he zeroes in for what appears to be the kill: "How do you say 'Trust me' in Jewish?" he asks. His answer: "--- you."

Reagan Mentioned "Jesus" — Brings Down Wrath of Jews

Jewish Leaders Denounce Reagan Morality Talk

Below from "Jewish Week" March 25
By BEN GALLOB

President Reagan's recent assertion that belief in God should make Americans solidly back his opposition to a nuclear freeze and support his program for a massive military buildup has come under stinging denunciation from leaders of the three major branches of Judaism.

The Jewish religious leaders, in response to a Jewish Telegraphic Agency survey, said the use by the president of moral absolutes "in the name of Jesus" was morally offensive and possibly a violation of his constitutional obligations. They added that castigation of the Soviet Union as the "focus of evil" might unwittingly bring about the catastrophe of a nuclear holocaust and they said that it implied an attempt to silence opposition to the president's policies, including his strong support of prayer in the public schools. It also threatened the nation's religious pluralism, they said.

Rabbi Alexander Schindler, president of the Union of American Hebrew Congregations, the association of Reform synagogues, said that "the invoking of moral absolutes in the name of Jesus" were "offensive when they are voiced by the President of the United States." He added that they were, "in fact, a violation of his constitutional obligation to be president of all Americans, regardless of religious persuasion."

President invokes Jesus

Reagan made his remarks in a speech March 7 in Orlando to the National Association of Evangelicals, an organization of conservative churches and agencies.

He said "there is sin and evil in the world and we are enjoined by Scripture and the Lord Jesus to oppose it with all our might." He said Soviet Communism "is the focus of evil in the modern world" and that those favoring a mutual freeze on nuclear weapons were ignoring "the aggressive instincts of an evil empire."

Rabbi Arnold Goodman, president of the Rabbinical Assembly, the international association of Conservative rabbis, said the nuclear freeze issue stemmed from "a deep concern that the world may be heading for a holocaust of its own making," and that the Jewish tradition, "with its concern for life, obviously has a contribution to make to the overall deliberations" on that overriding issue.

'We will not be silenced'

Goodman asserted "we will not be silenced and we will join with our fellow clergy here and throughout the free world in continuing to sensitize our society and our political leaders to moral concerns."

He agreed with the president that all Americans must oppose "sin and evil" in the world, a duty "mandated by our Torah and our teachings." But he declared he found it "regrettable" that the president, "who represents all the people," had chosen to "limit his sources of inspiration" for his call to battle sin and evil "to Christian doctrine."

Marshall Wolke, president of the United Synagogue of America, the central agency for Conservative congregations, and Rabbi Benjamin Kreitman, executive vice president, condemned the president for asserting that his opposition to a nuclear freeze "was based on a true interpretation of Christianity" and for his attack on "the liberal religious community, Christian and Jewish, who differed with his point of view on the nuclear proliferation treaties and procedures."

They said "the assumption of authority for the only authentic interpretation of the religious message," which they described as historically "one of the most serious abuses of religion," was an abuse "that strikes at the heart of religious pluralism on which our nation was founded."

Wolke and Kreitman declared that the President "had no right to intrude his religious point of view into a discussion of a politically sensitive matter, nor to usurp for himself divine approval of that point of view." They said that, as president of all the people "and of all religious points of view," Reagan "must respect the authenticity of that diversity."

Concern by use of religious content

Rabbi Walter Wurzburger, president of the Synagogue Council of America, declared that the President "has every right to oppose a nuclear freeze," but, he added, he has no right to stigmatize those "who disagree with his branch of civil religion" as having succumbed to "the temptation of pride" and as seeking not the reality but "the illusion of peace."

He called "equally distressing" the president's attempt to preach "civil religion" by advocating an amendment to permit prayer in public schools. He asserted that nondenominational prayer would be an exercise in "religious tokenism" rather than a genuine contribution towards "the enhancement of religious values." **(JTA)**

Jews Attack Pres. Reagan For "Invoking The Name of Jesus"

Attention Rev. Jerry Falwell: Your long held view that Jews sincerely support fundamental Christianity has been dissolved once again. This time the Jews attacked the President of the United States for using the name of Jesus Christ when

Pres. Ronald Reagan

addressing a conservative Christian organization. On this page we reproduce a front page article from the March 25 issue of "Jewish Week" — a publication often referred to as the voice of American Jewry. In fact its stock has long been owned by the Jewish Agency which is the overall governing body which coordinates world Jewish financial support for Israel.

The attack upon President Reagan castigates him in the strongest possible terms just because he said that those who believe in Jesus Christ should oppose the evil Soviet nuclear freeze. The leaders of all three Jewish religious groups in America denounced the President and demand that he never again invoke the sacred name of Christ again. With this anti-Christian attitude how can people like Falwell ask us to blindly support Israel's aggression against the innocent people in Lebanon?

Kosher Kitchen Saves Jew Convicts From Dangerous Prisons

Special Federal Prison For Jews

Racially integrated prisons are dangerous places. Murder, homo-rape, beatings, knifings and robbery are common. Whites are most frequently the victims. We have reported cases in both New York City and Miami where Jews, convicted of serious offenses, were granted probation by Jewish judges because incarcerating them in jails which are mostly colored, would be too dangerous.

The organized Jew community in America has far more influence than any and all other groups — combined! Thus special privileges are even granted to convicted Jew felons who have been sentenced to federal prison. Jew leaders have made arrangements to protect their fellow Jews inside prison — a protection system which is not extended to any other racial or ethnic group.

Chicago's "Jewish Sentinel" of Feb. 10 carries an extremely revealing article which states that convicted Jews who want a safe prison must request that their "religious requirements" only allows them to eat kosher food. The federal government has installed a kosher kitchen only in the Allenwood, Penn. institution. This is equal distance from New York, Philadelphia and Washington, D.C. and makes easy driving for relatives and business associates. Most important of all, Allenwood is a minimum security, no-fence, no guard or towers prison. Most Gentiles there are good behavior prisoners and ready for release. Thus Allenwood is one of the safest such places in the country because most prisoners do not wish trouble just prior to release. BUT, LONG TERM JEW PRISONERS ARE HELD HERE BECAUSE THEY WANT THE SAFETY THE PLACE AFFORDS.

Some 75 Jews are currently serving time in Allenwood. The Jewish Sentinel quotes inmate Stephen M as explaining:

"I self-surrendered at Allenwood to avoid bad conditions in local jails during transfer time. There is a 'Jewish Welcome Wagon' service to greet you. I was given juice, tea, soap and other essential items. I have a private room and free access to the commissary. Jews have a well organized congregation with a contract rabbi (paid by the taxpayers). We receive holiday snacks and three bagels per man on Friday.

"The community is tight-knit, always looking out for one another. Men who had never gone to A (synagogue) in their lives attend. We try to get the best jobs in the camp for one another and run an 'old boys' network. Without the kosher kitchen some would face harsher incarceration. With this in mind there is always a drive to keep the kosher kitchen. We have a dining room (Jews are served their kosher meals separately), a conference room and a gym. At the last seder over 100 people attended including families."

No Similar Protection For White Christians

Why is it that White Christian prisoners cannot demand special minimum security prisons where they can be safe from colored attack? Of course, nothing of the sort would be granted. Since the Jews are allowed this "segregation" and protection from dangerous inmates the least we can demand is separation of the races. Under Segregation of the races we had peace and tranquility both inside and outside of prisons. **The Separation of the races is the law of God and nature.** The time has come for us to recognize this simple fact of life. If Jew criminals can suddenly become "religious" and have their own special Kosher kitchen "safe" prisons, then special prisons for White Christians should be established. We wonder if Rev. Jerry Falwell would lead a crusade to win these same privileges for Christians which the Jews already enjoy???

Easter Sunrise Service Banned

The Masonic Knights Templar have conducted a beautiful Easter sunrise service at the Arlington, Va. National Cemetery for the past 52 years. Maj. Gen. Jerry Curry, commanding general of the District of Washington banned the Christian ceremony at the request of Jewish religious leaders. While they demand separation of Church and State but they had one of the largest Menorah (Jews religious symbols during Hanukkah right in front of the White House during their so-called "Holy Days," on government property — Lafayette Park!

White Lady Ordered To Give Her Business To Blacks!

(Below from "Akron Beacon" Feb. 16, '83)

Rebuffed blacks get beauty shop

The white owner of a downtown Akron beauty parlor has agreed to turn over her business to two black women in an out-of-court settlement of a $150,000 racial discrimination lawsuit.

Kathleen Salyard, operator of Kathleen's at 74 Mill St., also agreed to pay the women $2,500 in damages.

The beauty parlor is valued at $5,000, according to an agreement filed Tuesday in U. S. District Judge Sam Bell's court.

The suit filed Feb. 1 by Elizabeth Small of Kent and Sandra Ivery of Akron claimed they were denied the right to buy the beauty parlor because they are black.

Miss Salyard, who operated the business for 10 years, was trying to sell it because she planned to retire, according to her attorney, Lee Davies.

ACCORDING to Mrs. Small, she and Mrs. Ivery made an appointment with Miss Salyard after seeing the business advertised in the newspaper. In a Jan. 10 meeting, Miss Salyard told them the beauty parlor's equipment was for sale for $5,000, Mrs. Small said.

The two women said they left with the understanding they would talk the sale over with their husbands. When they called the next day to make an offer, Miss Salyard told them an employee had already bought the business, they said.

The women then complained to the Fair Housing Contact Service of Akron, an agency that investigates racial discrimination charges.

The agency sent two white investigators to the salon. According to earlier testimony in the case, the investigators were told the beauty parlor was still for sale.

Bell had temporarily barred Miss Salyard from selling the business. A hearing on the full suit had been set for this morning.

Under the court agreement, Miss Salyard must help the women keep a lease with the building's owners, the High Street Masonic Lodge. She also agreed to encourage her employees to stay and to ask her regular clients to continue patronizing the shop.

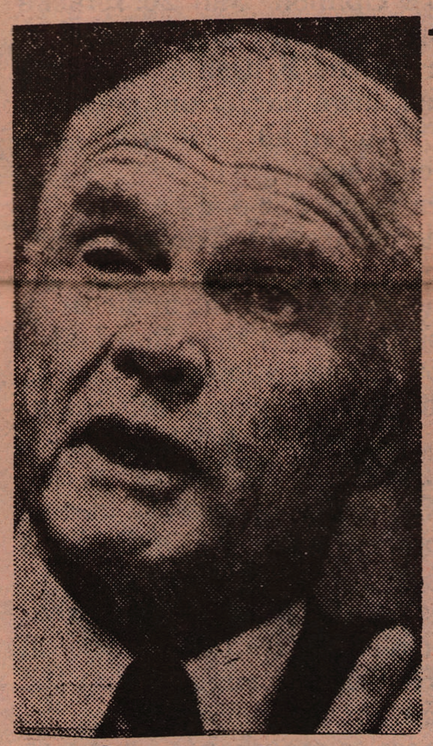
The agreement also requires the fair housing agency to give Miss Salyard a tape of a conversation recorded by an agency investigator who posed as one of the white buyers.

Court Takes Business From White Woman And Gives It to Black Women To Settle Civil Rights Suit

Akron, Ohio beauty parlor owner Kathleen Salyard enjoyed her popular business for 10 years. Then two black women, Elizabeth Small and Sandra Ivery, sought to buy "Kathleen's Beauty Parlor" when they heard it was for sale. Mrs. Salyard decided to sell the business and use the proceeds of years of hard work for her retirement. Since all her customers are White ladies she told the two black women it was not for sale to them. They went to the state run "Fair Housing Contact Service" which sent two White traitor spies to see if the business was for sale.

Unknown to her she had run afoul of the vicious "anti-discrimination laws." This practice has been approved by direct orders of the U.S. Supreme Court. A civil rights group filed suit against Mrs. Salyard. U.S. Federal Judge Sam Bell found her guilty. She was ordered to pay the two black women $150,000 in damages. Of course she didn't have the money so the judge ordered her to settle the case by giving the two black woman her business FREE OF CHARGE as "settlement of the case." AND MANY SLEEPING CITIZENS THINK THEY STILL LIVE IN A FREE COUNTRY!

This is the first time we have heard of a business being taken away from a White and given to blacks. This is just the beginning of tyrannical federal court terror rule over White people. TO ADD INSULT TO INJURY THE COURT ORDERED MRS. SALYARD TO PERSUADE HER PRESENT CUSTOMERS TO CONTINUE TO DO BUSINESS WITH THE NEW BLACK OWNERS!



Sen. John Glenn

John Glenn Backs Down

By Brian Usher
Beacon Journal politics writer

In rebuttal to critics of his stands on Mideast policy, U. S. Sen. John Glenn told about 400 Jewish community leaders Monday that he "will never waver in working for a democratic, strong, secure and independent Israel."

Glenn, a Democratic contender for president in 1984, got a cordial but lukewarm reception from delegates to the National Jewish Community Relations Advisory Council, which is meeting for four days in Cleveland.

"They're not too sure of him," Eric Rozenman of Columbus said of his fellow delegates. "They hear the words, but wonder what he'd do if he were in the White House."

Glenn's one-day trip to Cleveland was apparently a bridge-building mission to Jewish communities nationally. The head table at the luncheon included leaders from Baltimore to San Francisco.

IN AN apparent reference to a column in the New York Times by William Safire, Glenn said, "It has been suggested in the media and elsewhere that my commitment to Israel is somehow suspect. One person went so far as to say John Glenn, and I quote, is no friend of Israel. I reject that suggestion and I reject it emphatically."

Drawing applause, he said, "For us the safety and security of Israel is not negotiable."

Saying his audience could "applaud my words but doubt my actions," Glenn described the issues raised in the column — without naming Safire — and explained past stands that had caused concern among pro-Israel groups.

"I may have made statements that are unpopular to some of you, but those who question my commitment to Israel are neither fair with me nor honest with you," he said.

Sen. John Glenn Cancels Trip To Germany Out of Fear of Jews

"Human Events" of Feb. 26 reports that at the very last moment Sen. John Glenn cancelled a long scheduled trip to Germany to visit Chancellor Kohl. His advisors said it would antagonize organized Jewry if he didn't visit Israel's Begin first.

Jewish anti-German feelings are so intense it could be the "kiss of death" to any American presidential hopeful who traveled to Germany instead of Israel first. In the past Glenn has urged recognition of the Palestinian Liberation Organization. Now he says that was a mistake and opposes U.S.-P.L.O. talks. Still Jew leaders say they do not trust the astronaut hero Glenn. Jews believe Walter Mondale is 1,000% under their thumb and will do absolutely everything they order him to do."

Anti-White Bias

High Scoring Miami Police Applicant Rejected

The Metro-Dade (Fla.) Police Dept. has rejected the application of Carl Parker to a job opening. He filed a suit charging "failure to hire is a result of job discrimination imposed upon White Anglo Americans." Parker applied for the position in Jan. 1981 after scoring in the 96th percentile which is nearly perfect in the genius range. His lawyer, Nelan Sweet said, *"How much higher could the guy score? If they only want to hire minority members, they should not waste the time of White recruits taking weeks of their time for tests when they have no intention of hiring them in the first place."*

White Americans oppose this procedure of being second class citizens right here in our own country. Do something about it — JOIN THE NATIONAL STATES RIGHTS PARTY AND FIGHT FOR THE JOB RIGHTS OF THE WHITE MAJORITY!

GLENN SAID he supported former President Jimmy Carter's sale of F-15 fighter planes to Saudi Arabia because the sale was made with U. S. limits and "strings attached." He said that if the United States had not sold the F-15s, the Saudis would have bought similar aircraft from France "with no strings attached."

The "U. S. strings" related to limits on operations, transfers, spare parts and air-to-air missiles, he said.

Taxpayers Lose Millions

How Minority "Joint Venture" Contracts Work

Atlanta's new airport cost $700 million. The city demanded $87 million go to black sub-contractors. There are no major successful negro construction companies. Thus White firms must locate and in some cases set blacks up in business just so 25% of the firms are "minority owned." (Note: Blacks are about 16% of the population.) The work force of 1,800 had to include at least 800 negroes. Inefficiency, absenteeism, careless work resulted in great unnecessary over-run costs to the White contractors.

How Black Middleman Legally Rip-off U.S.

Negro Lewis Dodds set himself up as a "consultant" middleman to buy coal for government heating purposes. At one time the GSA policy allowed payments of 15% over the "fair market price" to minority businessmen without bidding. Dobbs was given a contract to supply the government with $2.6 million in coal. He didn't mine, process or deliver the coal. He simply accepted orders from the federal government, passed them on to the coal companies and earned a "commission" of $230,000 the first year (1980). Not bad for a negro with no experience in the coal business. But the government found his order deliveries were late and he greatly inflated his prices.

Some 12% of the coal to be delivered in Feb. didn't arrive until July. Peter Boulay, a GSA supply chief sarcastically remarked, "it was the coldest July on record." While most coal companies were charging $36.50 per ton Dodds was charging $41.25. Being a minority businessman no one had the courage to complain. In 1981 Dodds had over $4 million in government orders which put him in the top 2% of minority business contractors.

We estimated that his profit was $235,280 in 1981 and $294,120 in 1982. Not bad when he had no overhead expense and only accepted government orders for the coal companies. This is a continuation of the Lyndon Johnson "Great Society" program of the 1960s when the government decided to artificially create "a cadre of black middle-class entrepreneurs." Now this is about to bankrupt the nation and greatly contributes to our burgeoning national debt. The taxpayers must demand an end to such giveaways to pirates and parasites. By distributing this newspaper to a friend you help awaken others to the shocking facts on legalized corruption which is undermining the financial base of America.

Jews Do Not Believe In Democracy

(Below from "Jewish Press" March 11, '83.)

Meir Kahane Speaks

P.O. Box 425, Midwood Station, B'klyn, N.Y. 11230

If I Were Prime Minister...

If I were Prime Minister, I would move to make Israel a Jewish State, rather than the Hebrew-speaking gentilized hybrid it is today.

If I were Prime Minister, I would — the very first day — appear before the television to explain — rationally — why not to marry a gentile; who moved from Judaism to the values of Dizengoff Street with its inevitable hunger for materialism that leads directly to the twin plagues of crime and emigration.

If I were Prime Minister, I would pledge to change all that and proceed immediately to drive out all traces of western Hellenism and its power brokers. I would isolate the Jewish state culturally and keep out the foreign cultural values that corrupt and destroy the holiness of the Jew.

If I were Prime Minister, I would immediately move to make the curriculum in every school in Israel one that emphasizes Judaism and one that is taught by people who believe in it. I would make Zionism a truly Jewish, vibrant thing and I would implement a course of study that turns out good Jews before good attorneys and engineers.

If I were Prime Minister, I would immediately replace the radio and television personnel with those who believe that the Jewish people must be one with Judaism, with all of the Land of Israel, and whose destiny is determined by G-d and their commitment to Him.

If I were Prime Minister, I would see to it that the communications industries (movies, theaters, television and radio) would present only programs that are in the spirit of Judaism as decided by the authentic rabbis of Israel.

If I were Prime Minister, I would then move to remove the Arabs of all the Land of Israel in our possession (including the state) by offering them a choice of leaving willingly with full compensation for their property or leaving without anything. I would precede this with a complete but not drawn-out explanation of the problem to both Jews in Israel and those without, emphasizing the contradiction between a Jewish state and a western democratic one (which should allow Arabs to be a majority, if they have the numbers).

If I were Prime Minister, I would precede this with an immediate end to the desecration of the Name of G-d and of His people by banning sexual contact between Jew and gentile, by removing all foreign troops, including United Nations forces, from the Land, by isolating any foreign laborers, and by banning all gentile volunteers on kibbutzim or elsewhere.

If I were Prime Minister, I would end the desecration of the Name and ban all missionaries and cults from the Land under threat of heavy punishment. No ulpan or absorption center could take in gentiles, most of whom apply there in order to "save" the Jews.

If I were Prime Minister, I would immediately end the desecration of the Name and remove the Moslems from the Temple Mount, site of the Jewish holiest place.

If I were Prime Minister, I would strictly curtail young gentile immigrants who bring both drugs and foreign abominations into the country.

If I were Prime Minister, I would immediately annex all the liberated lands and allow unrestricted Jewish settlement anywhere in the areas.

If I were Prime Minister, I would take seriously the fact that Israel is a Jewish state and, thus, the trustee of Jews all over the world. I would order Israeli security people to move against enemies of the Jews outside of Israel as they do against the enemies of Israel, there. There are no boundaries when it comes to the Jewish people, who are one.

If I were Prime Minister, I would, in the meantime, bring Jewish youth to Israel for special military training in defense of their lives and property.

If I were Prime Minister, I would move to end the terrible economic gap that sees the rich and the fat accumulate greedy wealth while large numbers of Jews suffer want and privation. I would end the "stock market" and "get-rich-quick" mentality and strictly limit stock market profits.

If I were Prime Minister, I would compel greedy employers to hire Jews instead of Arabs at decent working wages and compel able-bodied Jews to work at those jobs instead of seeking welfare.

If I were Prime Minister, I would divert the huge amounts of budgetary funds that go to the Arab sector to the needs of the Jewish underprivileged in the urban neighborhoods and the development towns.

If I were Prime Minister, I would make it a severe crime to utter ethnic attacks against fellow Jews.

If I were Prime Minister, every Jew would be defined by the halachic definition and a review of all past identity cards would be made to search out those who passed for Jews but who are, in truth, not.

If I were Prime Minister, I would love my people so and I would know that there is so terribly little time left, that no amount of cynicism, ridicule or hate would prevent me from attempting to implement this — the authentic Jewish state.

Is This Not Tyranny?

Does Rabbi Kahane Speak For All Jews?

Some people will say, *"Well, Rabbi Kahane is a fanatic and does not speak for a majority of Jews!"* While this is true, MOST ALL JEWS DO AGREE WITH PARTS OF KAHANE'S ANTI-DEMOCRATIC PROGRAM!

In support of the above statement we offer the following evidence:

Exhibit No. 1. "Jewish Week," March 25th article reproduced on this page tells of the powerful "League Against Anti-Semitism and Racism" in France (their equivalent to the Jewish Anti-Defamation League here). They went into court under the "Anti-Hate Laws" to sue a large popular daily which ran an ad opposing Israel's invasion of Lebanon under the hypocritical code name "Operation Police For Galilee." The reason for the legal action is because *"there can be no conceivable Judaism without Zionism."*

In the past the Jews have always held that Judaism is their religion and Zionism their political movement. NOW IT IS ANTI-SEMITIC TO OPPOSE POLITICAL ZIONISM!

Exhibit No. 2. "Chicago Jewish Sentinel" of Feb. 10 carries an article, "Inside Israel" which supports Rabbi Kahane's beliefs that all Palestinians should be fired from their jobs and only Jews hired. No Arabs would be allowed to date or engage in sexual activity with Jewish women. (NOTE: In America the Jews have always been in the forefront of the movement to legalize and promote intermarriage between Whites and coloreds.)

Exhibit No. 3. "Jewish Post & Opinion" Jan. 26. Israel's Foreign Minister Shamir (a former Stern Gang terrorist in the 1940s wanted for murder by the British authorities) says Israeli censors must crack down harder on newsmen "who think they have the right to tell all!" He wants the criminal code to be used against them.

Dictatorships Often Good For Jews

Exhibit No. 4. "Jewish Week", March 11. Quotes a rabbi in Chile as stating it is not correct to say that "all democracies" are good for Jews. He says that in dictatorships where the Jews had great influence they flourished. He complains that the U.S. government allows the Klan to exist and no doubt would like every group critical of Zionism and Israel banned. "JEWISH WEEK" HAS THE LARGEST CIRCULATION OF ANY JEW PUBLICATION IN AMERICA and approves the idea — of a Jew controlled dictatorship — as "FOOD FOR THOUGHT!"

Exhibit No. 5. Noam Chomsky, a well known Professor at MIT was denounced and called a "traitor" at the all Jewish Brandeis University. He dared to suggest that the Palestinians should have *"the rights of human beings."*

The next time a political leader or preacher in your area speaks about what a "great democracy" Israel is, cut out this article and mail it to him. The Jewish state means freedom and liberty only for Jews and that is extremely limited. A future article will cover censorship, job rights and radical Jewish laws covering divorce — which are the most unusual and inhumane in the world. How many know a Jewish wife is the property of her husband and should he die first she belongs to his brother and cannot remarry without the brother's permission — and this law is just the tip of the iceberg in that great democracy called ISRAEL!

Jews Do Not Believe In Western Style Democracy

U.S. Politicians, many ministers, continually tell the American people that we must support Israel because it is the only "democracy" existing in the Middle East. They never give the public detailed study of the "type" of democracy which exists in Israel. On this page we reproduce the political views of Rabbi Meir Kahane and his view of Israel's democracy. Kahane recently spoke at various Jewish community centers and colleges in the South and received standing ovations at every appearance from both Jew students and adults alike.

Press Freedom Defined

Foreign Minister **Yitzhak Shamir** has his own definition of Freedom of the press. At the dedication of Bar Ilan University's new communication and journalism school, Mr. Shamir stated that "The public does not have the absolute right to know everything. Journalists don't have the duty to tell all. Israeli newsmen do harm to the national interest for their own professional advancement." There was even a threat. Referring to leaks to the press, he said that "Although the man who leaks state secrets is mainly to blame, the newsman cannot go scot free. The criminal code has punishments for those who trade in stolen goods"

Major French paper sued on anti-Semitic ad

PARIS (JTA) — The International League Against Anti-Semitism and Racism has filed suit against the French daily Le Monde and its former editor, Jacques Fauvet, for alleged "incitement to racial hatred and spreading anti-Semitism."

The league, a civil rights organization known for a strong pro-Israel stand, charged that the paper had been guilty of these crimes when it accepted for publication in the first weeks of the war in Lebanon a paid advertisement that contained "anti-Semitic material" and which allegedly was likely to incite racial hatred.

The advertisement consisted of a vitriolic attack against the Peace For Galilee operation, Israel and Zionism. It was signed by a Catholic priest, the Rev. Michel Lelong; a Protestant clergyman, the Rev. Etienne Mathiot, and Marxist philosopher Roger Garaudy, a recent convert to Islam. The three contended that Israel "practices state terror" and that one of the aims of Zionism "is endless expansion."

Counsel for the three signatories and those representing Le Monde stressed that the defendants are known for their anti-racist views and that the text of the advertisement included a phrase stating "our condemnation of Zionism is part of our fight against anti-Semitism."

Rabbi Yosi Eisenberg told the court that although it was legal to criticize the policy of a foreign state, "attacking Zionism implies a move towards anti-Semitism as there can be no conceivable Judaism without Zionism."

Unruly Meeting

Chomsky Speech At Brandeis Raises Ire

WALTHAM, Mass. — The speech here by Noam Chomsky, the noted linguistics authority, in which he said that supporters of Israel are harming the Jewish State, has caused some stir on the campus.

THE MIT PROF. WHO IS KNOWN for his opposition to many Israeli policies, told a meeting here that "people who call themselves supporters of Israel are aiding its destruction. Israel's increased dependence on a super power is leading to its severe moral degeneration, erosion."

Lois Kaplan, writing a column in The Justice, student newspaper, termed the audience which heard the speaker, "generally despicably mannered". She noted "hissing, the shouting of obscenities, sarcasm from questioners and booing."

SPEAKING BEFORE THE Brandeis Political Forum, Chomsky presented the view that the two alternatives to resolve the tension between Israel and the PLO are the accomodationist one and the rejectionist one. Rejectionists, he said, believe in force, accomodationists believe in negotiations.

He then maintained that Israel has taken the rejectionist position in not giving the Palestinians the right to self determination.

IN THE SAME ISSUE as the remarks by Kaplan, Thomas Mountain, who read a statement after Chomsky's speech, was given space to defend his position.

"As a Jew," he said, "I am outraged by what he preaches. He is a traitor to his own people. He is the antithesis of everything that the Zionist believes in and lives for. The man equates Israelis with fascists, trashes the Jewish State about and smiles in the process, and my critics ask me to be polite to him?"

CHOMSKY SAID THAT "As long as the United States and Israel pursue a rejectionist position there is a near guarantee . . . of more wars for Isreel (in order) to prevent other countriess from invading it. These wars are dangerous in terms of superpower confrontation."

"My primary concern in U.S. policy is how it can be improved and its impact on other people . . . Israel has chosen the course of a parasite state. This is a dangerous path," he said.

CHOMSKY CONSIDERED remarks like "You are not doing anything to protect the Jewish people" as racist comments. "I am concerned with the right of human beings . . . The PLO has the same legitimacy as the state of Israel," he noted.

Chomsky said he has "no love for the state of Israel or for any other state. States are violent and Israel is no exception.

We should hire Jews only.

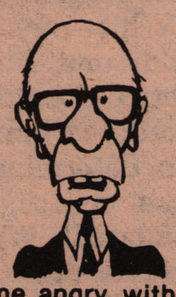
II. Employ Arabs from across the "green line" to the extent that their labor is required for our economy, but do not permit them to spend their nights here. They could become a fifth column and what begins with temporary housing could develop into permanent squatting. Prolonged stays in Israel after working hours could lead on the one hand to fraternizing with Jewish girls and on the other hand to violent confrontations with Jewish boys. Hence, each day they should be trucked or bused back to their own homes and families - in some cases 50 or 60 miles each way. It would be costly and time-consuming, but best for all concerned.

"You criticize me for taking back the land that God promised me."

"You complain when I use American jets to bomb refugee camps."

"You accuse me of fueling the Iraq-Iran war with U.S. weapons."



"You become angry with me when my soldiers shoot Palestinian children who demonstrate against us."

Anti-Semitism and government

A rabbi in Chile, writing in Sh'ma, throws out some tough thoughts: "Two basic North American assumptions about Latin America often lead U.S. Jews to false conclusions about life in this part of the world. The first of these incorrect assumptions is: 'All democracies, by their nature, are good for Jews and all dictatorships are anti-Semitic.' While I personally favor democracy, the fact is that the above assumption is not true. Democracies reflect the common will of the majority of the citizens of a nation, and majorities are not always right, moral or tolerant. One need only recall that Hitler was elected in a democratic election, Dreyfus was tried and found guilty during the French Third Republic, and the Klan is allowed to live in the freedom offered it by the United States.

"In contrast to this perspective, not all dictatorships have been by definition bad for Jews. Jewish life both prospered and grew in medieval Spain and Babylonia, two countries that were governed by absolute monarchs.

"The political reality is that no one form of government is intrinsically pro- or anti-Semitic. Anti-Semitism is not the result of a particular form of government, but rather the consequence of a complicated constellation of political, economic, social and theological factors that under the right combination of circumstances can, like electricity, be activated."

Food for thought.

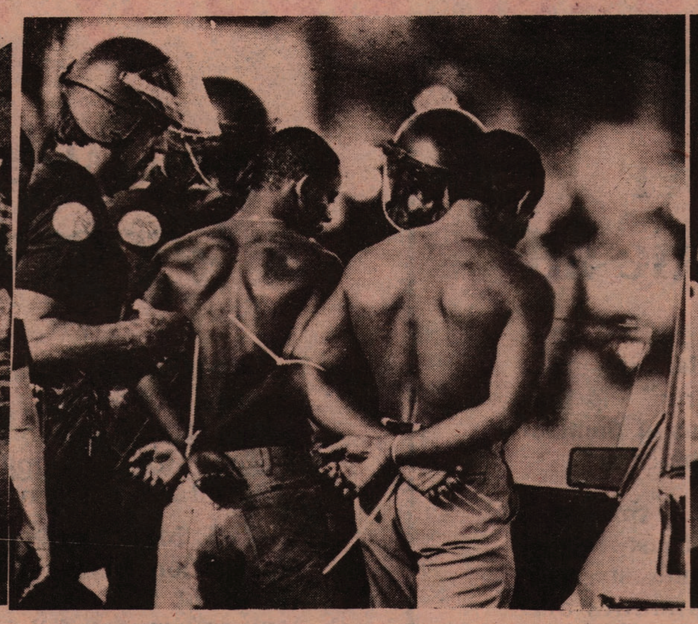
FBI Harasses Local Police In Racial Cases

Overturned burned car after Miami racket.



Miami thugs arrested. FBI says police use excessive force?

Black protester screams at police. FBI says his "civil rights" come first.

Miami Riots Now Played Down

Miami has so many riots now that it is no longer considered "national news." On March 13, local black residents in the Liberty City area complained they could not sleep because of a street disco party. When police arrived to check out the complaint they were attacked by the mob. The disco was given by local drug dealers and the party goers went wild. Rocks and bottles smashed through police car windows. Then some 500 young blacks began to loot local stores and overturn cars — as is usual during negro protest demonstrations in Miami. The rioting went on for two days.

Miami's Overtown area was the scene of severe rioting Dec. 28 with two people killed, 26 injured, dozens of businesses looted and burned during three days of rioting. Large numbers were arrested. The worst rioting in Miami was in May 1980 when 18 were killed, hundreds arrested in four days of rioting which resulted in over $100 million in property damages. Still the White people are blamed by liberals for being "racists" and forcing "the poor downtrodden blacks" to riot.

Recently five blacks in Miami have been shot to death in the city termed the most violent in America. Two White policemen have been indicted for violating the negroes' civil rights. They are Hispanic officer Luis Alvarez who looks as White as anyone and now White officer Robert Koenig, 29. He is charged with shooting to death negro Donald Harp, 21, who was involved in a hit-and-run crime.

FBI Persecution Of Local Police

The Justice Dept. under Pres. Reagan has changed little since the days of Carter, Nixon, LBJ and Kennedy. The following are cases of dangerous negro violence which took strong police action to control — but resulted in FBI investigations and/or indictments of the police law officers who have the world's toughest job and that is trying to MAINTAIN LAW AND ORDER IN NEGRO TOWN.

Negroes Attack Police At Funeral

Montgomery, Ala. police officers were pursuing a suspect when he ran into an area where a negro funeral had just taken place. The mourners suddenly attacked the police! Officer Les Brown was shot twice and for a time was in critical condition. Officer E. B. Spivey had his throat slashed from ear to ear requiring 135 stitches to save his life. The officers were held, beaten and tortured until rescued by police reinforcements.

The FBI is now investigating whether or not the civil rights of 11 black "mourners" were violated by the arrests. In the meantime, Judge Craig Miller released seven of the black defendants for "lack of evidence." All were from Ohio or Michigan. Still charged with attempted murder are Willie Taylor, Sr., 47, and Larry Gene Hill, 27, of Pontiac, Mich., along with Worrie Taylor, 49, and Elbert Taylor, 50, of Warren, Ohio. Some of the blacks were still wearing their choir robes when they attacked the police. Worrie Taylor has confessed he shot Officer Brown as he was trying to flee.

Blacks Acted Like "Wild Animals"

Police Chief Swindall issued a statement charging the blacks acted like "wild animals." It read: *Both investigators were disarmed and continually held, beaten, and tortured by these (black) subjects. Their clothes had been cut off them with a knife. They were kicked in the groin and in the head. The subjects acted like wild animals that had their prey on the ground. This crowd of approximately 30 people attempted to murder these officers as six children looked on.*"

Judith Miller of the "New York Times," covering the case, quoted negro Rep. Alvin Holmes as stating "*the poor Taylor family thought the police were members of the Ku Klux Klan.*" Blacks have held "protest" rallies in different parts of Mobile and two black radio announcers have been fired for "stirring up" the black community against White people. (The station is White-owned.) FBI agent Edmund Bazar said the Justice Dept. in Washington ordered him to investigate to determine if the poor blacks' civil rights have been violated! WHY NOT INVESTIGATE TO SEE IF THE WHITE OFFICERS' CIVIL RIGHTS HAVE BEEN VIOLATED?

Montgomery Police Attacked By Negro "Animals"!

Anti-White Court Rulings

Columbus, Ga., mad killer negro William Hance, 32, was sentenced to death for murdering two women. He called himself the "Force of Evil" and demanded $10,000 from local police to stop the killings before he was captured. His death sentence has been overturned by the federal 11th Circuit Court of Appeals in Atlanta. The "wild man from Montgomery", Ala. Judge Frank Johnson, who made all the race-mixing rulings against the White people of his home state, bitterly attacked the prosecuting attorney in the case, William Smith.

Johnson charged that, "*Smith appealed to patriotism to convince the jury to sentence Hance to death. This dramatic appeal to gut emotionalism has no place in a courtroom.*" Smith responded he was "bitterly disappointed but not surprised." (Note: It is possible that Judge Johnson may be Jewish or part Jewish. When his son committed suicide several years ago there was a short press report that a Montgomery rabbi performed the funeral. This never happens unless the deceased is Jewish???)

U.S. Courts Stacked With Red Judges

Communist Leader Angela Davis says "*Use Courts Against White People.*"

Angela Davis is the communist party leader who once was indicted for murder and kidnapping in the escape of some of the most dangerous black killers in California history. At the time she was teaching White youths communism as a professor at the U. of Calif. Today she heads the communist "National Alliance Against Racist and Political Repression." Miss Davis says that the Reds are now on top and should use the courts against White people. She rightfully says the judiciary is now leaning to the left and regularly rules for communists.

Communist Angela Davis speaks to "Western New England College" students. Urges outlawing of all right-wing Christian organizations.

More Court Attacks Upon White People's Rights Taxpayers Ordered To Pay For Homos' Sex-Change Operation

Madison, Wisc., Welfare Board voted two to one to pay $25,000 for a homosexual's transsexual surgery. Board members Douglas Kratsch and Nancy Wettersten (both possible Jewish names) voted for the sex change operation. The opposing vote was cast by Miss Chung Bothwell who resigned in protest. She said, "*such surgery is illegal and an immoral use of the taxpayers money.*" The city is appealing!

1,000 Killed In Immigration Riots

India's Prime Minister Indira Gandhi has sent troops to Assam state as fighting with the four million illegal immigrants has broken out. It is estimated that over 1000 have been killed in the fighting. Assamese say the illegals pose a threat to their religion and culture.

"Anti-Hate Laws" Would Ban Exposing Zionism

ADL Hate Laws Threaten Freedom In America

The Jewish Anti-Defamation League has drawn up what they describe as a "model law" which will make such acts as "racism," anti-Semitism, and vandalism felonies instead of misdemeanors. In most states a youth under age 18 (the group police state commit most such acts) would be subject to 5 years in prison and a $5,000 fine. Presently the penalty is up to 1 year in prison and a $1,000 fine is not recorded as a felony on the youth's record.

Those who read the ADL's model law will find that any type of graffiti or even what the Jews refer to as "verbal anti-Semitism" is covered by the "'Anti-Hate Laws." The ADL stated that their findings indicate a 15% drop in "anti-Semitic" incidents since 1981. They listed 829 incidents of which only 197 were directed against synagogues, Jew Community Centers and other similar buildings. The public and legislators are led to believe that the 197 buildings were bombed or burned, etc. That is Jewish propaganda the ADL is talking about such as graffiti smearings and broken windows where damage was negligible.

Atlanta ADL head, Stu Lewengrub recently let the cat out of the bag when he quietly revealed that a total of 829 "anti-Semitic" incidents (phone calls and the like) were made to Jewish agencies nationwide. In other words, when you protest the senseless murder of innocent civilians in Palestinian refugee camps in Lebanon by calling some Jew group listed in the phone book to declare "Jews must stop killing Gentiles in Lebanon," the Jew listening marks down "another vicious anti-Semitic phone call." At the end of the month the ADL collects such data and this is what makes up the vast majority of the so-called anti-Semitic incidents in their highly publicized 829 figure.

Anti-Hate Laws Not Needed

We already have laws on the books dealing with vandalism and since such acts are committed by children they should not be made subject to felony convictions. Note on this page the photo of the campaign poster **"Larry Smith For Congress."** He was elected, unfortunately, because most of the Broward County, Fla. (Ft. Lauderdale - Hollywood area) voters did not know he was a Jew. Some courageous local patriots took upon themselves the task of trying to reach the people with the truth. They sprayed all of Larry Smith's campaign signs with the star of David to identify him as a Jew. WE APPLAUD THIS ACTION AND BELIEVE PATRIOTS HAVE THE RIGHT — YES, A DUTY TO — INFORM VOTERS WHO JEW CANDIDATES ARE!

Of course, Larry Smith is not his real name at all — he is of Russian Jew parentage and changed his name just to gain office over a sleeping White Christian majority. Hopefully the word will reach enough voters so that he will be defeated in 1984. Smith quickly removed six of his political billboards in Hollywood, as well as on University Drive and Nova Drive. Smith just went berserk while talking with a reporter from the local "Sun-Tattler" newspaper about the campaign signs. He said *"I was sick when I saw the stars of David on my signs. This is not politics, this is hate. This carnage was an organized effort because some of the signs were 9 feet high. They had to stand on a pick-up truck with a can of spray paint. Anti-Semitism is like cancer and must be cut out."*

Since Larry Smith is a Jew why is he not proud of the fact? Why not tell people, "Yes, I am a Jew and my real Russian name is — — — —!" No, instead he says that Florida needs the ADL "Anti-Hate Laws" so that when patriots are caught they will be prosecuted for felonies and not simple misdemeanors expressing their feelings.

States Which Adopted the ADL Bill

Pennsylvania Gov. Richard Thornburgh is shown on this page signing the tyrannical and anti-Christian "Anti-Hate Bill." In different states this bill is given different names. In Penn. the Jews use the phraseology "Ethnic Intimidation / Institutional Vandalism Bill (H.B. 1806). Note that this article from the "Jewish Exponent" says the Jewish Anti-Defamation League and Justice Dept. say such incidents are up while the "Jewish Post & Opinion" say they are down? ? ?

The states which have thus far adopted the ADL model bill are 13 in all, Calif., Conn., Fla., Md., Mass., N.J., N.Y., N.C., Ore., Penn., R.I., Tenn. and Wash.

How New York City's "Hate Squad" Operates

The anti-hate laws are supposed to protect all groups but in fact mainly are used to grant the locally powerful Jews minority special police protection. In New York City painting a star of David or a Swastika on a synagogue is treated as serious as a murder or armed robbery.

Jew Mayor Koch issued Interim Order No. 40 on Dec. 31, 1980. This established the "Hate Squad" headed by Capt. Paul Donnelly, 50, with 28 years on the force. He has a staff of 10 detectives divided into three squads which operate from 10 A.M. to 1 A.M. and are on call 24 hours a day. Capt. Donnelly says they investigate, *"criminal incidents and acts which may be racially and religiously motivated. Smearing a Swastika on a synagogue receives as much attention as a murder case!"*

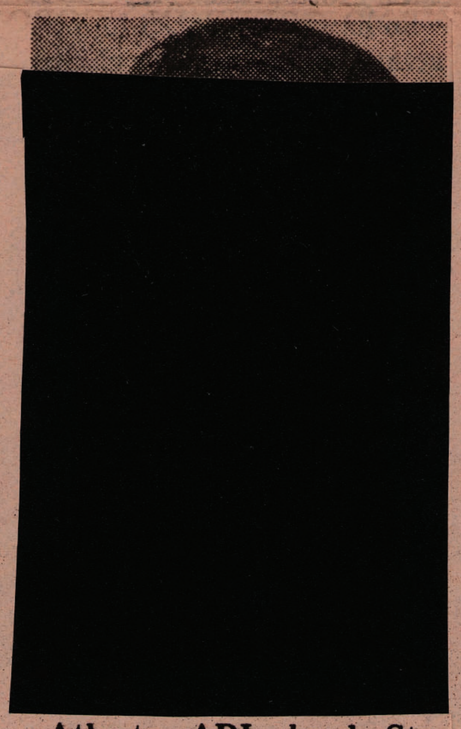
Capt. Donnelly's full time staff is located on the 13th floor of the police headquarters. This is the first city to have a full time police squad to investigate "hate." Of course, Orwell's 1984 is still a year off, so this may not spread to other cities until next year. Donnelly says that one mother of a 16 year old complained, "I don't know why you're making such a big stink; it's only graffiti." Donnelly said his squad spent "several days" on the case ringing every doorbell in the neighborhood and quizzing all the children before the youth finally surrendered. The words "Jews Out" were sprayed on the all Jew Forest Park Cooperative in Woodhaven in Aug. 1981. The Hate Squad got to the scene of the crime within 15 minutes. Soon at least 8 detectives and ranking officers arrived. A week later they arrested a 19 year old girl and two younger boys and charged them with engaging in "hate."

Fla. Congressman Larry Smith is Jewish. Here Patriots spray-painted Star of Zion on his campaign posters. New proposed ADL laws would make this a felony!

Local Jew ADL head Michael Goldfeder said, *"It was marvelous to see the police in action protecting a poor persecuted minority."*

Blacks Want Anti-Hate Unit Abolished

Since Jews are the main beneficiaries of the N. Y. city highly paid anti-hate police squad some believe it should be working on the city's skyrocketing murders. Negro community leader, Rev. Herbert Daughtry from Brooklyn said, *"I believe we have our priorities wrong. Vandalism should not take precedent over serious crime! All the money spent by the hate squad could go for job training, education, housing, shelters, etc."*



Atlanta ADL head Stu Lewengrub says even Anti-Zionist phone calls are included in national anti-Semitic count.

New York's ADL director Carol Lister said that the present budget crisis must not dilute the manpower of the Anti-Hate Squad. She added, *"Its survival is essential and we're going to fight like hell to hold on to it."*

Penn. Passes ADL Law

Present at the signing of the Ethnic Terrorism Bill (seated, from left) are Ronald Ziegler, past department commander of the Pennsylvania Jewish War Veterans and national executive committeeman of JWV; Gov. Richard Thornburgh; and Morris Yoffe, ADL regional advisory board chairman. Standing (from left) are Mark Squires, member of the ADL regional advisory board and the Civil Rights Committee; Jerry Rosen, community consultant for ADL; and Rep. Frank A. Salvatore.

Last but not least is the biggest bust by the anti-Hate Squad thus far. Torah scrolls worth up to $20,000 were stolen from the Janina Synagogue in lower Manhattan. This was denounced as the most "vicious anti-Semitic incident" to date. The Anti-Hate Squad went right to work. Soon they arrested 3 Jews who were affiliated with the Israeli Mafia. They were in the business of stealing the scrolls from old synagogues in New York City and selling them for up to $30,000 each to new synagogues in the Southeast. Thus Donnelly's special squad and the ADL were a bit embarrassed to tell the public that those guilty of this *"anti-Semitic hate incident"* were Jews and not Christians.

THE ADL HAS DECLARED THEIR SPECIAL ANTI-HATE LAWS WILL BE INTRODUCED IN THE LEGISLATURE OF EVERY STATE IN THE UNION. BE ON GUARD AND STOP THIS ONE SIDED - SELF SERVING LEGISLATION DESIGNED TO GIVE SPECIAL POLICE SERVICES ONLY TO ONE RACIAL / RELIGIOUS / GROUP. TELL YOUR LEGISLATOR THE TRUE FACTS AND ASK HIM TO VOTE THE ADL'S ANTI-HATE BILLS DOWN!

"Open Letter" Denounces Atlanta Newspaper Threats Against J. B. Stoner

Bill Shipp
The Atlanta Constitution
P.O. Box 4689
Atlanta, Georgia 30302

Dear Mr. Shipp:

As an educated man, I remain calm even as I write this letter to you, a man so indecent as to use an American newspaper to literally call for the death of the Hon. J. B. Stoner.

Hypocrite that you are, you would deny Mr. Stoner his right to live, work and speak up for his race, just as the spoiled courts of this nation have denied him his Constitutional right to a speedy, fair trial. Because you have the use of a newspaper column, you believe that the White public will applaud your calumnies, your smear of an honest man.

For J. B. Stoner has indeed many friends throughout America. I have no idea where he may be, but wherever he stays I wish him Godspeed and the protection of Heaven.

But for you there can be no redemption. You do not stop short of implying a threat to Dr. Edward Fields, a man you should respect as a journalist; he refuses to kow-tow to the treasonous forces who are ruining this nation. That may be why you hate Stoner and Fields: they are honest men, and you are not. They would die for their race — you have sold yours out (I take it that you are a White Christian?).

It is not J. B. Stoner's 'deck' that is stacked with jokers and knaves, even though you probably have that from some Jewish psychiatrist who has his *reasons* for saying so. You are the man whose soul is sick, twisted with decadence; for you have sold out your own people.

Real Holocaust Suppressed

Remember The Persecution of the Sudetenland Germans

Editor, The Thunderbolt,

Your article in the July issue on the book, "Nemesis at Potsdam" concerning the post-WWII murderous expulsion of Germans from Prussia, etc. caught my eye.

We have a book, Documents on the Expulsion of the Sudetan Germans," 1953, by The Association for the Protection of Sudeten German Interests. This is a technical book of 116 eye-witness accounts of "communist" atrocities after Soviet and American "liberation," and the inhuman Sudetenland expulsion. Czech communist documents of official orders to starve, brutalize and murder and confiscate the property of those of German descent are appendixed.

We know an elderly lady who survived this unnatural crime with her children simply because she spoke some Czech. She was born and lived all her life near Prague, Czechoslovakia until given five minutes to collect what she could and begin marching. She convinced a young Czech partisan of her daily job in town and her small children — he told her to run. The other women rounded up with her were herded on a railroad cattle car and never seen again.

Of course, to her, the accounts of those tortured, beaten and otherwise sadistically killed in her area are not just names, they were family and old friends. These people were terrorized, brutalized and murdered for one reason: As Germans they understood the Jew and were a danger to the Jew "communist" conquest.

When I present these facts to WWII veterans, they resent it. Few men will admit they fought on and killed for the side of evil rather than good. So be it. They must face it sometime, here or at judgement.

Pray For J.B. Stoner

Editor, The Thunderbolt

Thank you for your recent letter regarding Mr. Stoner and your newsletter on the same subject. I have prayed for Mr. Stoner's welfare, and I know that God hears and answers prayers. Prayer is the most powerful force in the universe.

I also know that God is concerned with the welfare of Mr. Stoner. He is a wonderful Christian patriot.

We know that God is on the side of the true Christian. And as Martin Luther said: "One with God is a majority."

Jesus paid with his life for what we enjoy today. He had to fight these foes every step of the way. He knew He came to die for our sins. And when His work was finished He went willingly to his death. The earth has to be cleansed of Satan's bloodline. Satan's children have ruled the earth from Adam until now. And it is the end of their reign.

I have also prayed for you and the people around you. And I intend to keep praying for you and your staff.

Christians must work and support Christians only.

"But my God shall supply all your needs according to His riches in glory by Christ Jesus." — Phil. 4:19.

"I can do all things through Christ which strengthens me." — Phil. 4:13.

God Bless J.B. Stoner

Editor, The Thunderbolt,

We delight in the escape of the White Fox J. B. Stoner, from the clutches of the federal courts and their Alabama satanists. God speed him to a sanctuary. God lift him through the winds to the mountains of safety and peace! May those who have persecuted him be strangled by the very chains

Needed — A White Radio Network

Editor, The Thunderbolt,

I am presently engaged in a struggle with the Department of Justice's Civil Rights Division over the formation of a "White Radio Network." It all started when I heard a radio program one night on Station WWRL here in NYC which called itself the "Black Radio Network." Their night call-in program is called "Night Talk" and you should hear the things they say against the White population. I requested a clear ruling from the CRD regarding the formation of a "White Radio Network" and to date they have not answered me. I sent a letter to Senator D'Amato who finally answered me after a month's delay which said he had asked the CRD for a ruling and that is where the matter stands at the moment. I will notify you what they say in a future letter.

Thunderbolt Wins New Convert

Editor, The Thunderbolt

I recently acquired one of your newspapers, "The Thunderbolt." I was most impressed with your views on the current events now taking place in this country, and the things that must be done in order to eliminate these problems. I found your newspaper to be one of the best informed and fact-filled papers I have ever read. It so moved me that I am enclosing $10.00 for a one-year subscription to "The Thunderbolt."

Congratulations to Thunderbolt

Editor, Thunderbolt:

Congratulations on your 25th anniversary issue. It is no exaggeration to say that The Thunderbolt has done more than any other single publication since the end of the Second World War to keep alive a sense of racial pride and awareness among White Americans. If our beleaguered race finally survives all the grave threats to its existence, grateful Americans will one day remember The Thunderbolt as an important weapon for our people in this life and death struggle. May your courageous publication continue to strengthen the spirit and resolve of White Americans for another quarter century!

Why Jews Need Holocaust

Holocaust propaganda serves many purposes for the leaders of international Jewry.

First it keeps unlimited aid to Israel pouring in.

Second it silences anyone who might dare criticize Israel or Jew activity because that would link them with "Nazis" who allegedly killed the six million Jews.

Thirdly it unites Jews behind their many organizations which are used to promote Jew interests and intimidate and silence all opposition. The following story points out how difficult it is for Jews to hold their own people together and why they need to keep screaming about the "holocaust."

The Long Island Jewish World in Oct. reported that the planned "mass demonstration" urging Russia to allow dissident Jew Anatol Scharansky to emigrate to the U.S. was a big flop. The rally in Mineola, N.Y. featured Jew actors Red Buttons and Elliot Gould who were flown in especially for the occasion. The organizers of the event were in a state of shock because, "*so few Jews care!*"

Red Buttons said, "*I'm disappointed, very, very disappointed.*"

Big Flop In Texas

Houston's St. Thomas More church sponsored a rally for both Jews and Christians to demand that Scharansky be allowed to emigrate to here. The Jewish Herald-Voice in a critical editorial complained that almost no one attended. Well, it looks like Scharansky will remain in Russia which is his homeland but the Jews are planning to hit the public with a new barrage of holocaust lies to try and stir people up again over the "poor persecuted Jews," beginning with the 18 hour TV holocaust docudrama, "Winds of War."

Says People Sick Of Holocaust Propaganda

French Jewess Simone Veil, former president of the European Parliament of the Common Market, says people have *"had enough of holocaust stories and trials of so-called former Nazis and collaborators.*

"My views may shock some but 40 years after the war — people have had enough of these trials. The arrest of Maurice Papon, recent Minister of the Budget, and a Vichy regime official during World War II in which he was supposed to have helped deport 1,600 Jews from Bordeaux is wrong. The French Parliament lifted that statute of limitations for such crimes and I have always doubted the wisdom of changing existing laws to apply retroactively to certain persons."

Mrs. Vivi is herself a "Auschwitz survivor" as are hundreds of thousands of other Jews. We have always been taught that the Germans are the most efficient people on earth — if so, how could they have allowed literally millions of Jews to be "survivors" of the so-called "holocaust?" Of course, the truth is that there never was any holocaust in the first place!
